

BROADACRE ASSISTANT FARM MANAGERS

Warakirri is a progressive agricultural investment group with broadacre dryland cropping properties in Victoria, Southern New South Wales and Southern Queensland. We are interested in hearing from people who have a professional attitude and are committed to a career in agriculture and management. We have positions available in a variety of locations. As a member of a proactive and multi-skilled management team, you should ideally possess:

- Broadacre cropping experience, with practical experience in the operation of large scale cropping plant and spray equipment;
- A willingness to learn, adopt new practices and further develop personal skills, whilst working in a team environment;
- The ability to demonstrate a high level of initiative and self motivation;
- Good communication skills;
- Current chemical users certificate, driver and truck licences;

Warakirri is an equal opportunity employer. For further information or to request a job description please contact our office on 03 8613 1187. Applications providing full work history and contact details of two referees should be addressed to:
