

## BROADACRE FARM MANAGER - DALBY AREA

Warakirri is a progressive agricultural investment group with broadacre dryland cropping properties in Victoria, Southern New South Wales and Southern Queensland. We are interested in hearing from people who have a professional attitude and are committed to a career in agriculture.

The property "Wyobie" is responsible for 3,420 ha of dryland farming located 10km from Jimbour on the Jimbour Plain near Dalby, QLD.

Leading a proactive and multi-skilled team, you should ideally possess:

- Broadacre cropping experience particularly operational knowledge of summer cropping, conservation farming techniques, GPS guidance and large scale spray technology;
- Excellent communication skills as you will be required to work closely with consulting agronomists and contractors;
- Sound planning, reporting and administrative skills;
- A willingness to learn, adopt new practices and further develop personal skills, whilst working in a team environment;
- The ability to demonstrate a high level of initiative, self motivation and people management and negotiation skills

Warakirri is an equal opportunity employer, which provides balanced working hours, good housing and excellent career opportunity. For further information or to request a job description please contact 0439370971. Applications providing full work history and contact details of two referees should be addressed to:
